

Edible Pencil

Follow the directions to make a pencil you can eat.

Materials

1. cheese sticks 

2. thick slices of ham 

3. mustard 

4. cone shaped corn snacks 

5. raisins 

6. plate 

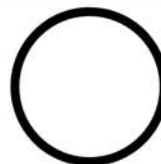

7. plastic knife 

Directions

1. Cut one end of a cheese stick to make it flat.

2. Cut a small circle of ham the same circumference as the cheese stick.

3. Attach the circle of ham to the end of the cheese stick with mustard.

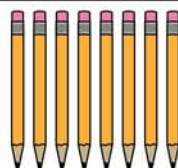

4. Press a corn snack into the other end of the cheese stick.

5. With mustard, attach a raisin to the tip of the corn snack.

6. Repeat to make a set of edible pencils.

7. Take a bite of the pencil you made!
