

# Edible Gold Medal

Follow the directions to make a gold medal you can eat.

## Materials

1. fruit leather 

2. vanilla sandwich cookie 

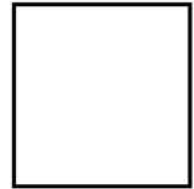

3. white frosting 

4. edible gold color mist (optional) 

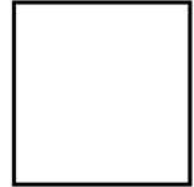

5. spoon 

# Directions

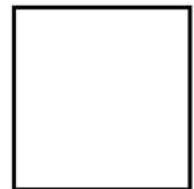

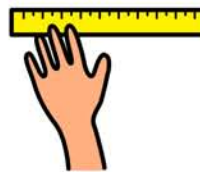

1. Twist open the cookie sandwich and lay pieces side by side.

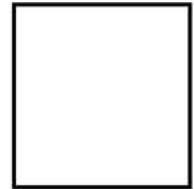

2. Place a glob of icing on the half with creme.

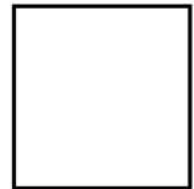

3. Measure an arm's length of fruit leather and tear it.

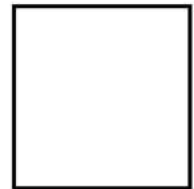

4. Place the ends of the fruit leather on the frosting.

5. Add another glob of icing on top of the fruit leather.

6. Place the other half of the cookie on top of the icing glob.

7. Lightly spray the outside of the cookie with gold mist.
