Edible Gold Medal

Follow the directions to make a gold medal you can eat.

Materials

1. fruit rolls
2. vanilla sandwich biscuit
3. white frosting
4. edible gold colour mist (optional)
5. spoon
Directions

1. Twist open the biscuit sandwich and lay pieces side by side.

2. Place a glob of icing on the half with cream.

3. Measure an arm’s length of fruit leather and tear it.

4. Place the ends of the fruit leather on the frosting.

5. Add another glob of icing on top of the fruit leather.

6. Place the other half of the biscuit on top of the icing glob.

7. Lightly spray the outside of the biscuit with gold mist.
