3. Select the dropdown on the download menu.
4. Select the appropriate download option.

The screenshot shows the Boardmaker website interface. At the top, there is a navigation bar with the Boardmaker logo, a language selector (EN), and links for Boardmaker Home, Downloads, and Lindsey. Below the navigation bar, there are two tabs: Boardmaker and Student Center. The main content area features a section titled BOARDMAKER with a sub-header. Below this, there is a text block explaining that the user should select the button to download the latest version of the Boardmaker Editor. A dropdown menu is open, showing three options: Windows (marked with a red 4), Mac OS (marked with a red 3), and Chromebook. At the bottom right of the page, there is a footer that says 'On this page Boardmaker v7.0.1'.

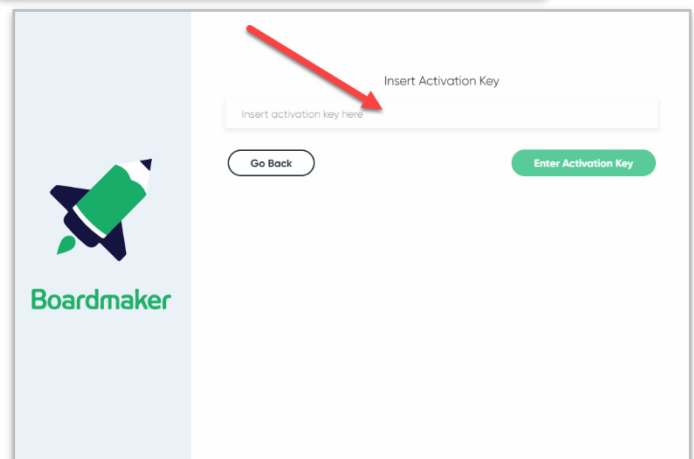

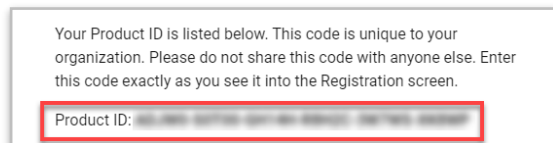

5. Open the download on your computer to begin installation.

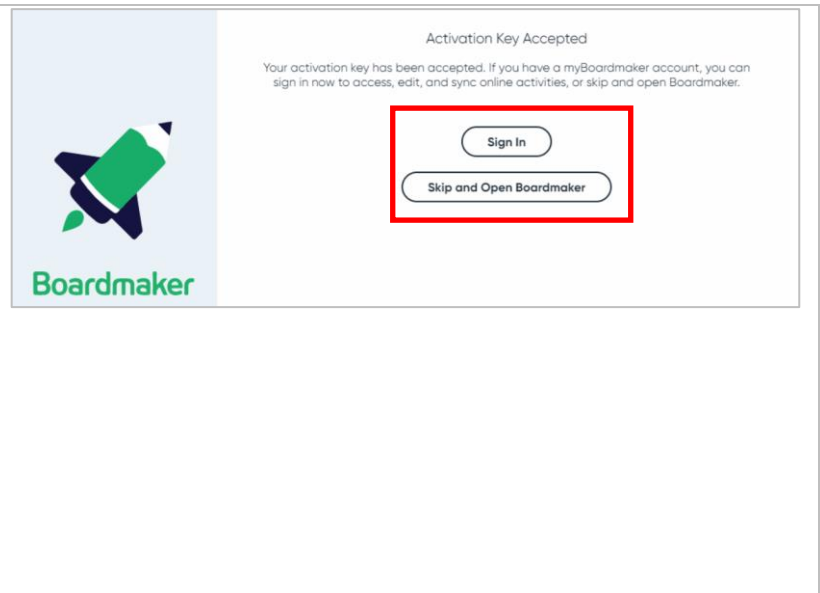

6. Open the Boardmaker 7 Editor. Select **Enter Activation Key** from the menu.

7. Enter the **Product ID** from the original email message to the activation key window. Select **Enter Activation Key**.

8. Select an option:
- Recommended**
- Select **Sign In** to link the Boardmaker Editor to your Boardmaker Community account. You can also create free Community Account if you do not already have one. This will allow you to access Community activities, sync activities you find in the Community to the Editor for easy access and sync activities you create in the Editor to the cloud.
 - Select **Skip and Open Editor** to move straight into the Editor.
